Subject: Nomination of Senior Officials for the Capacity Building Program for the Irrigation & Flood Control Department on 21st and 22nd August 2023 - Reg

Dear Sir,

Greetings from Jammu and Kashmir Branch Office (JKBO) of Bureau of Indian Standards (BIS)!

1. As you are aware, Bureau of Indian Standards (BIS) has taken several initiatives to create awareness about Indian Standards and promote their use in the planning and implementation of government programmes and schemes and has been successful in reaching out to a large section of the officials at State and District levels with your support and guidance. One of the important feedbacks from the Outreach Programmes is the need of Structured, Sector-Specific, residential training programmes for the Senior State Government officials.
2. Taking note of this feedback, BIS has prepared an Annual Action Calendar for the training of the senior officers of the State Governments at its National Institute of Training for Standardization (NITS) located at Noida (Sector 62). A copy of the Annual Calendar for the Training Programmes is enclosed for ready reference. It may also be accessed at the Training Portal of eBIS (www.manakonline.in).
3. NITS was set up in the year 1995 to meet the growing needs and expectations of the industry and various other stakeholders for training in the areas of Standardization, Quality assurance, Management Systems, Conformity Assessment and Laboratory Management. It has a sprawling campus equipped with state-of-the-art training halls, auditorium and hostel facility, and has been conducting training programmes for the participants from within and outside the country. The institute has a strong team of qualified and experienced in-house faculty and experts drawn from eminent institutions and public sector.
4. It merits mention that for the training programmes included in the Annual Calendar, BIS does not charge any training fee and bears the expenses of lodging and boarding of the State Govt. officials deputed for training. Only the travel expenses are to be borne by the participants
