Government Order No. 87 - JK (JSD) of 2022

Dated: 09 -05-2022

Sanction is hereby accorded to the nomination of Jammu and Kashmir Water Resources Regulatory Authority (JKWRRA) as UT Level Nodal Agency with the mandate of revising Master Plan for Artificial Recharge to Ground Water-2025 on the basis of following terms of reference:-

- i. To prepare and regularly update database on water conservation structures in the UT using the Artificial Recharge Module being developed by NWIC as part of Water Resources Information System (WIMS);
- ii. To prepare DPRs and execute the construction of structures through UT Level Coordination Committees subject to the availability of funds from Central/UT Schemes;
- iii. To form District Level & UT Level committees for approval and execution of artificial recharge structures indicated in the Master Plan subject to availability of funds from Central/UT schemes as well as to coordinate the activities of both the committees;
- iv. To prepare micro level recharge plans (in the scale of 1:10,000 or larger) in consultation with Central Ground Water Board (CGWB), which will be revised every five years; and
- v. To establish GIS labs with GIS Experts at District & UT Levels for preparation of thematic layers in 1:10000 scale and to prepare implementable DPRs at the village/Gram Panchayat level.

By order of Government of Jammu and Kashmir.
